 - Tap **TEXT** to get plain version of each article, you can then make text bigger or change colour scheme for night time reading
 - Tap **PDF** to go back to the Original® magazine view

Tip 2: Wi-Fi **ONLY** Downloading & Auto-Download

Set a multiple magazines to download one after another (*currently* only available on [apple®](#) devices):

- Tap App **Menu** Button 
- Tap the **Settings** button

- **Wi-Fi ONLY Download** –useful for people whose devices have a SIM card. It means Magazines only download when you are using a Wi-Fi network rather than your phone’s data plan.
- **Auto-Download Titles** – Instead of waiting for the first time you open the magazines, titles will be downloaded the instant they are checked-out.

Tip 3: Delete Magazines

You may want to delete magazines to free up space on your device

- Tap App **Menu** Button 
- Tap  **CHECKED OUT**
- Tap **X** in top corner of a magazine

That’s all folks, well done!

*Start reading some **great** magazines!*
