Book Club Membership

Terms and Conditions

Valid photo identification with an address will be required to start a book club membership.

Book club sets can be borrowed for a maximum of six weeks unless other arrangements have been made prior to the lending of the set.

Book Club sets are the responsibility of the book club, as a group you are financially responsible for the book set.

If a book is damaged and it is minor we will try to repair where possible. If the damage is major, there will be a charge for the book. If the book is lost, your book club is responsible for payment or replacement of the book. It is up to each book club to decide on how they manage this.

Book clubs may only borrow the books as a full set.

Books must be returned during opening hours and given to a member of the library staff either at Bunbury Public Library or Withers Community Library.

Your book club library card must be presented to collect the sets.

If a replacement card is needed there will be a \$3.00 charge.

I agree to the terms and conditions as set out above.
